life

Personal. Contemporary. Artistic.

Our Catalogue

Viva Photography celebrates the philosophy that every life is important, every body is beautiful and every picture really should be worth a thousand words.

Viva believes these exciting new products will help make your house a home.

We ensure Viva products and services are of the highest quality and standard and offer our current product catalogue showcasing a range of contemporary ideas in wall furnishing trends. Included is our latest range of acrylic and canvas prints that are a response to our client's demand for high quality, artistic picture mounts for their home environment.

We use only the finest products in the manufacture of our product range that will complement any sleek, modern 'living space'.

Your life in pictures

Picasso Uno

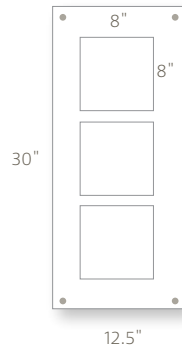

Picasso Uno: Contemporary, elegant and simplistic style presentation. The Uno is a single image mounted in a modern square acrylic finish. The Uno will have great impact on your walls as the blend between acrylic and metallic merge to create a stylish, modern feel.

Sizes available:
30"x 30"

Picasso Tre

Picasso Tre: A stand alone or complement to the Picasso Uno, the Tre is a composite of three square images custom designed in modern acrylic. The Tre allows you to assemble a set of three beautiful images that work together within one acrylic mount.

Sizes available:
30" x 12.5". Images 8" x 8"

featured product: **picasso tre** | viva! product catalogue

Picasso Cinque

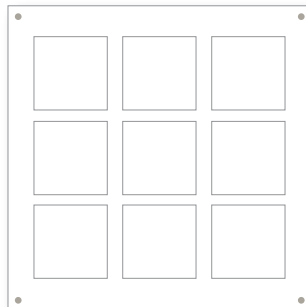

Picasso Cinque: A continuation of the Picasso range, the Cinque allows you to create a series of five custom designed images in a panoramic style acrylic. The Cinque works well as a contemporary composite style display.

Sizes available:
50"x 14" (Main image 10" x 11" plus 7" x 10")

Picasso Cube

30"

30"

Picasso Cube: The Cube allows you to display a group of nine images as a collection, which are custom designed in a modern acrylic mount. These displays are well suited to modern styled housing where simplicity adds to the overall design aesthetics.

Sizes available:
30"x 30" (Images 8"x 8")

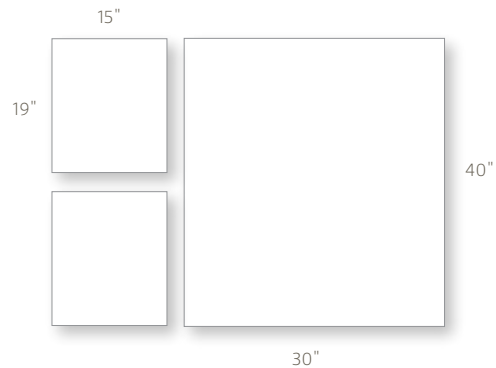

featured product: **picasso cube** | viva! product catalogue

The Urban Collection

The Urban Collection: The Urban Collection allows you to bring together a variation of looks to collectively impact on canvas. A brilliant way to blend three similar images into one composite feature. This is a unique and classy display which will truly make a house a home.

Sizes available:
 20" x 24" (Plus two x 9" x 11")
 30" x 40" (Plus two x 15" x 19")

The Cosmopolitan

The Cosmopolitan: The Cosmopolitan is truly the landmark product of the range. The ultimate statement of love and design. Five canvas images designed as a composite feature, this will enhance any home. Durable and contemporary with clean uncomplicated lines make the Cosmopolitan an outstanding feature.

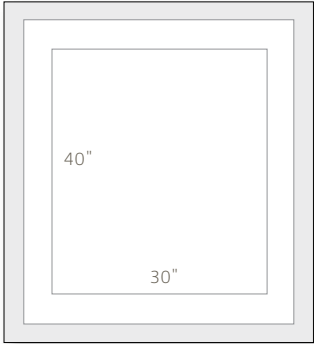

Sizes available:
40"x 40" (Plus four Images 8"x 8")

Art Series

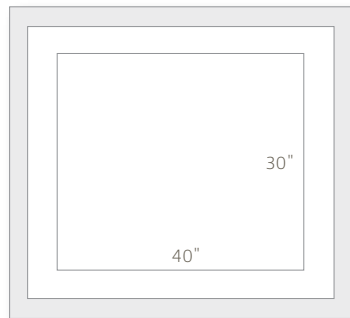

Art Series: Modern sepia image composites incorporating magazine design styles. The Art Series can be either vertical or horizontal mounted, mixing a main featured image plus three accent images. All four images are blended together to create a stunning modern art piece.

Sizes available:
16" x 20"
20" x 30"
20" x 24"
30" x 40"

Framed Prints

Framed Prints: Traditionally a single featured image using less complexity but allowing full undivided attention. Typically sepia, but not excluding colour or black and white, framed simply in contemporary slick mouldings. Various sizes and mouldings available.

Sizes available:

11" x 14"
16" x 20"
20" x 24"
20" x 30"
30" x 40"

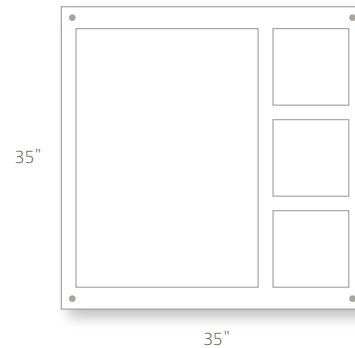

featured product: **framed prints** | viva! product catalogue

Designer Series

Designer Series: Similar to the art series but allows for individuality between images. The Designer Series allows you to place four images onto one display. In a contemporary style bringing together a composite of images for appreciation. Various sizes and mouldings available.

Sizes available:
30" x 30"
35" x 35"

Triplicate

Triplicate: A traditionally styled image composite, the

Triplicate places three individual images alongside each other in an elegant and simple way. This creates a synergy among a set of images. This product can be enjoyed in various sizes with various frame mouldings.

Sizes available:
8" x 10" (Images 8" x 10")
11" x 14" (Images 11" x 14")

Portrait Album

Portrait Album: Based on traditional presentations, the Portrait Album is now a contemporary piece using modern finishes and mounts to display a collection of personal images. A lovely way to bind your favourite images together within one album.

Sizes available:
5" x 7" (15 images)
8" x 10" (15 images)
11" x 14" (15 images)

Venetian

13"

19.25"

Venetian: Perfect for those with limited wall space or who are renting. The Venetian Box provides a classy coffee table show piece for you amazing images. With a strong self latching drawer design, the Venetian preserves ten matted images that are ready to frame. Keep some on your coffee table, display some around the house, the Venetian provides versatility with display options. With a clear top the Venetian ensures that your valuable memories are not forgotten by doubling as an interchangeable display.

Sizes available:
13" x 19.25"

featured product: venetian | viva! product catalogue

Signature Pack

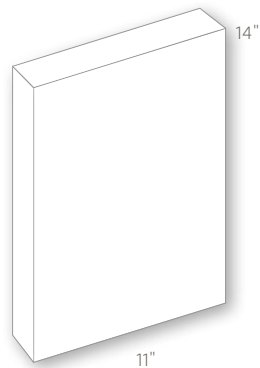

Signature Pack: For where room is at a premium the Signature Pack presents a collection of favourite images beautifully mounted as a set of individual images. Each mounted image can be removed from the box and enjoyed separately. The Signature Pack is individualised by the unique image on the front cover. This convenient product is fully portable.

Sizes available:
11" x 14" (included ten 8" x 10" images)

Messina

Messina: The Messina is a visually striking, stand alone acrylic block mounted image. The 40mm depth to the acrylic, together with the metallic photo print provide a luminous, floating, 3D like quality. Enhance any, table, side board, book shelf, display cabinet, dresser, mantle piece, or desk with a customised Messina. Orientated vertically or horizontally to match your professional portraits, the Messina is a beautiful and contemporary way to display your priceless moments.

Sizes available:
8" x 10"
11" x 14"

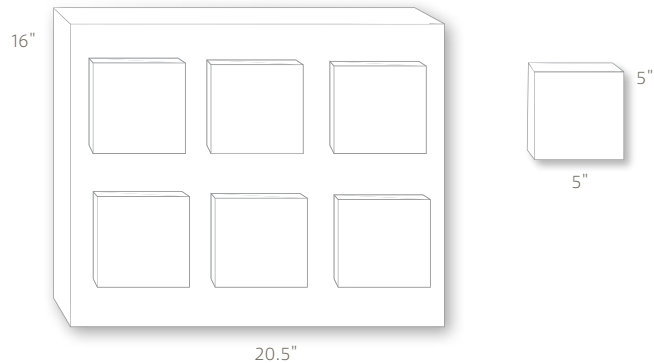

featured product: messina | viva! product catalogue

Capri Collection

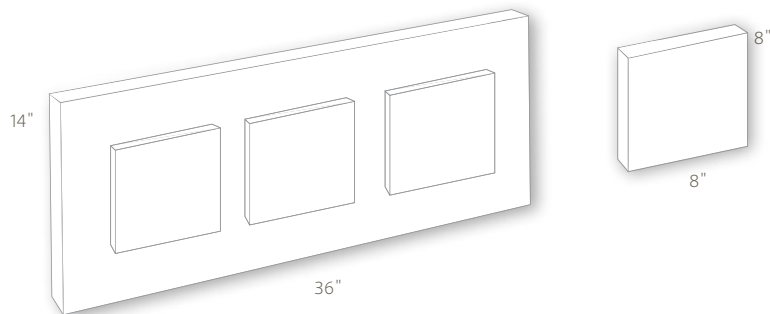

Capri Collection: A stunning multi piece acrylic set. The collection consists of six freestanding acrylic mounted images. The beautiful metallic printed images are individually hand mounted onto 5 x 5 inch acrylic blocks. The Capri has a luminous, floating, 3D like quality created by the 40mm depth of the acrylic. Display them as a set, individually, or in groups around the house or office. Perfect for the space conscious person, with an eye for style and class, the Capri Collection is as unique as you.

Sizes available:
5"x 5" (6 blocks)

Lipari

Lipari: A dynamic acrylic piece consisting of three interchangeable acrylic block mounted images. The Lipari brings your amazing images into a third dimension with the added depth of the 20mm acrylic blocks. Mix and match your display to freshen up your room with the ability to swap the position of the images that are held in place by a magnetic strip. The acrylic blocks can also be displayed separately as a stand alone piece. The Lipari has an ultra contemporary, interactive design that allows versatility in displaying your beautiful images.

Sizes available:
36"x 14"
8"x 8" (3 blocks)
